# AppWrite Localization

It allows to obtain a list with the countries with their respective key for the registration of users or searches

The screenshot displays the 'Pet And Vet' application interface. The header is teal with the app name and a 'Register | Login' link. The main content area is light gray. On the left, a 'Register' form is shown with fields for 'Full Name', 'Email', and 'Password'. Below these is a 'Select a Country' dropdown menu, which is open, showing a list of countries. 'Australia' is highlighted in blue. On the right, there are four white cards with rounded corners. The first card is titled 'Pets' with a dog icon and text about meeting pets. The second card is titled 'Find a Veterinary' with a medical icon and text about a directory of veterinarians. The third card is titled 'Events' with a calendar icon and text about a directory of veterinarians. The fourth card is titled 'Tips' with a lightbulb icon and text about tips and experiences.
